AMENDMENT D

Appellants respectfully request entry of the following amendment which is intended to place the claims in better condition for appeal.

Version of Claims Showing Amendments Made

Please amend the claims as follows:

3. (Three times amended) The package of claim 2, [wherein the cartridge] further includ[es]ing:

an outer, first cup including a first peripheral wall with an opening at an end, the first peripheral wall being at least selectively water transmissive;

an inner, second cup including a second peripheral wall, the second peripheral wall having a detachable base, the first and second cups being configured such that the second peripheral wall abuts and is connected to the first cup adjacent the end of the first peripheral wall;

a top cover covering the opening[s] in the first [and second] cup[s], such that the first compartment is defined in the first cup and the second compartment is defined in the second cup.
